USJ Community Fellowships Selection Criteria:

- We will only consider income, expense and net value of assets owned.
- Family means members living together including parents, where the student is directly dependent, student and non-working siblings.
- A minimum GPA of 14 is required.

Income includes all kinds of family income, including salary & wages, interest & investment income, rental income.

Expenses include tuition fees, rental payment, loan interest and utilities payments for the family. Special consideration will be given to family with member requiring long term medical expenses.

Net worth of family asset including savings, property owned, stocks and investments etc. together valued over 3 million or 1 million per person (which ever is higher) should not apply, considering that the market value of a 1-bedroom apartment is around 2.5 million now in Macau.
