Vacancy

The University of Saint Joseph (USJ) is currently looking to fill the following Part-time vacancy in the Institute of Science and Environment (ISE):

ISE Technician – Part Time (Ref. Code: ISE-PT)

Responsibilities:

A position is open for a technician for managing the Animal Facility of the USJ Institute of Science and Environment (ISE). The facility hosts aquatic animals (mostly fish) that are studied in different projects related with Environmental and Biological Sciences. The duties and responsibilities include, but are not limited to, the following:

1. Assuring a good organization of the facility, including managing the acquisition of equipment and consumables and maintaining the rooms cleaned and organized
2. Keeping animals cared according to the highest standards in animal welfare, including daily feeding and cleaning all animals and their enclosures and monitoring their health status
3. Keeping detailed and accurate records of physical-chemical parameters in the facility and an updated database of all animals
4. Working in close collaboration with ISE scientists in order to provide appropriate support to experiments requiring the use of animals
5. Participating in laboratory activities, including lab meetings, conferences or other activities, at USJ or outside, as requested. This may include presenting in written or oral form work related with technical aspects of his/her activity
6. Participating in fieldwork to collect samples or specimens in Macao or abroad
7. If requested, to participate in science education activities organized by the research group or by the University
8. If requested, help with the writing of research proposals or progress reports if related with activities developed at the animal facility

Requirements:

1. Master degree in Aquatic Sciences, Marine Biology or related areas
2. Experience in caring for laboratory animals, in particular fish and other small aquatic animals
3. Good organizational skills
4. Experience in fieldwork, including sample and animal collection. Diving certification will be valued
5. Flexible working hours, including weekends and holidays
For application:

- Email a motivation letter, CV and the relevant Diplomas as attachments to jobs@usj.edu.mo, addressed to:
  The HR & Recruitment Office
  University of Saint Joseph
  Rua de Londres 16
  Macau, CHINA

- State expected salary and the Ref. Code of the applied position in the motivation letter.
- All submitted documents will not be returned. Personal data provided by applicants will be kept confidential and used for recruitment purpose only.
- Review of applications will continue until the position is filled.
