

Tip 3

Dear USJ Patrons, a warm welcome to all of you!

University life is not only about studies, but it also includes social life. This week is encompassed with public holidays. Take the chance and enrich yourself by reaching out towards others!

Time Management

You need to manage time effectively if you're going to be successful. Below please find the site that provide you the time management tips:

[7 Time Management Tips for Students](#)

Importance of Social Gathering
