Address : Estrada Marginal da Ilha Verde, 14-17, Macau

### Short Bio

Dr. Raymond Lam received the B.Eng, M.Phil and Ph.D. degrees from Department of Computer Science and Engineering at The Chinese University of Hong Kong. From 2007 to 2009, he was a Research Associate in Department of Computing at Imperial College London. He then moved to Macau and joined Macau University of Science and Technology as an Assistant Professor in the Faculty of Information Technology. Prior to joining University of Saint Joseph as the IT Director, he has been working in IT department of large scale local organizations at senior management level. He is currently the Administrator of University of Saint Joseph. His mission is building and leading a team of unity to provide effective support for the development of the University.

Dr. Raymond Lam was the Treasurer of IEEE Macau Section from 2012 to 2013, and he has been an IEEE senior member since 2013.
