Install the apps on your mobile devices for a better learning experience

For a better communication between students, professors and our university staff, we recommend using the **Gmail app on your mobile/portable devices.**

聖若瑟大學
UNIVERSITY OF
SAINT JOSEPH

We at University of Saint Joseph also use one the most popular learning management systems available today.

The Moodle logo, consisting of a black graduation cap icon positioned above the first letter 'm' of the word 'moodle', which is written in a bold, orange, lowercase sans-serif font.

moodle

Moodle is a widely used LMS around campus and schools around the world, its **renowned for its flexibility** and **versatility**, let's take a quick look.
